

Phlebotomy Service

Our Patients Matter

If you have any comments or concern about our service you can speak with a member of staff or contact our **Patient Advice and Liaison Service (PALS)** for Liverpool Community Health.

t: 0300 7900 224

f: 0151 295 3232

Phlebotomy services in Liverpool are commissioned by Liverpool Clinical Commissioning Group and provided by Dingle Park Practice, Liverpool Community Health NHS Trust and The Royal Liverpool and Broadgreen University Hospitals NHS Trust (at the York Centre).

If you have a comment about this service please contact **Healthwatch Liverpool**

t: 0300 77 77 007

(calls cost the same as to a local landline)

NHS

The Liverpool Phlebotomy Service

(Blood taking)

Patient Information >

If you are referred by your GP for blood tests you can choose from a number of local venues across the city (a full list of locations and times included in this leaflet). This offers a wider choice of venues and extended opening hours.

Please note, if you have been referred for tests or screening by a hospital doctor you can still attend Broadgreen Hospital or the Royal Liverpool Hospital.

Bookable sessions

All sessions are drop-in (no appointment needed). However, bookable sessions are also available daily from 11.30am-1pm at Breeze Hill, Kensington or South Liverpool Treatment Centre - please call **0151 285 4548** if you wish to book an appointment.

Riverside Centre for Health offer allocated booking from 8.30am-12.30pm – please call **0151 295 9228** for appointments here.

Booking numbers operate during normal working hours only.

What to expect during the procedure

- All samples will be taken by appropriately qualified staff
- All patients attending the service will be treated with respect and dignity

Please contact your GP surgery for results following your test.

You can access the Phlebotomy Service at these locations and times:
